The National Democratic Front of Boroland(Songbijit faction) said that a hardcore member of NDFB(S) was [killed](#) and two others were apprehended in Parbatjhora subdivision of [Kokrajhar](#) district on [Sunday](#) in a joint operation of Police and Army was unfounded and fake.

In a press release,[NE](#) Esara,secretary for information and publicity of NDFB said as the news media had published the news about the one hardcore member of NDFB(S) was [killed](#) and two others were apprehended in Parbatjhora subdivision of [Kokrajhar](#) district of [Assam](#) on June 15 by a joint operation conducted by the Army based at Basbari under the aegis of the Red Horns Division and [Kokrajhar](#) along with number of fired [cases](#) and their live rounds, ammunition pouches, rucksacks, 115 AK 47 Rifle live rounds, nine mobile [phones](#) with SIM cards and 10 other spare SIM cards, NDFB blank [demand](#) notes, NDFB [money](#) receipt book recovering by [police](#) are requires be quashing or declaring invalid.

‘Referring to statement of army about [killing](#) and apprehended of the NDFB in a controlled retaliatory [fire](#) by security [forces](#) the violence, we argue the [police](#) department to furnish details of a blow-by-blow account, if any, about the outfit receiving vivid clues and [appeal](#) to disclose the identifications of one [death](#) and two arrested victims. As per our firm investigated information they were all innocent public people belongs to the Santhali community. Moreover, they were not [killed](#) by any [police](#) and army but only by the terrorist group under the leadership of Ranjan [Daimary](#) (former president of NDFB)’, he said.

It is known to all that the government of [Assam](#) has been giving brainstorming statements to maintain the [law](#) and order in the state by seizing all [illegal arms](#) of [Assam](#), on the contrary, the government itself has been instigating Ranjan [Daimary](#) by giving him [illegal arms](#) and power. So, it is cleared that the government has concocted the policies to start communal violence in [Assam](#) so that all the unity, strength, and development of indigenous communities shall annihilated by ourselves.

‘Having been condemning chauvinist governments’ speeches and communal destruction policies we strongly denounce it as added fueling to the [fire](#) that has been catalyzing and aggravating to another targeted pogrom in [Assam](#), which often has all ramifications that will go beyond the sources of the trouble accusing of you’, the outfit leader Esara said.
