Assam's agri-business sector is set to receive a face lift. Courtesy NEDFi. The region's finance body is coming up with a new scheme which could be a giant leap towards making the state's economy a healthy and wealthy.

According to information, with a view to exploring the state's untapped potential, NEDFi is inaugurating a new scheme Initiative for Development of Entrepreneurs in Agriculture or IDEA. It aims at making available the supplementary sources of input supply and service to help commercialization of agriculture.

IDEA is expected to provide gainful employment opportunities in the agri-business sector in the region. Besides there will financial assistance to the young entrepreneurs. Moreover, term loan and working capital will also be available on the basis of project size upto 25 lakhs.
