With the inauguration of newly constructed office building complex, the long felt need for the permanent office building complex of the Sub Divisional Officer (Civil) in Bhergaon Civil sub Division of the BTAD district of [Udalguri](#) at Bhergaon-16 km to the west from [Tangla](#) has come to the reality. The new building was officially inaugurated on October 3 in presence of a good number of gathering. After the creation of the [Udalguri](#) district carving it out from Darrang district [as](#) per the provisions of the historic Bodoland [Accord](#) in 2004, the office of the Sub Divisional Officer (Civil) was functioning under makeshift arrangement causing a lot of problems and difficulties to the officials of the Sub Division administration [as](#) well [as](#) of the people of the Sub Division. Realizing the need for the permanent office building, the [state](#) government in 2009 had started the construction work of the office complex along with the residential quarters, boundary walls etc at the estimated cost of an amount of Rs. 230 lakhs which took almost five years for its completion.

At an official function Minister for Fisheries, Water Resource Basanta [Das](#) dedicated the new office building to the people of the Civil Sub Division in a traditional way. In the function presided [over](#) by the Deputy Commissioner of [Udalguri](#) Sadhana Hojai, Minister Basanta [Das](#) appealed the officials of the Civil Sub Division to give more time to the problems and grievances of the people and to be prompt in dealing the matters related to the common people. Taking part in the inaugural function, Legislator of Panery LAC Kamali Rani Basumatari appreciated the initiative of the [state](#) government towards the major problems of the BTAD areas and cited the development of Mangaldai Bhutiachang PWD Road (Now [State](#) High Way No. 4)- the life line of the [Udalguri](#) and Darrang district and the establishment of the Civil Sub Divisional headquarters in a remote place like Bhergaon which are the glaring example of the mutual initiative of the [state](#) government and the BTC authority. Deputy Speaker of the Council Legislative Assembly of BTC Nerson Boro and Executive Member of BTC for Transport and Soil [Conservation](#) Jagadish Sarkar also addressed the inaugural function and also appealed the [state](#) government for establishment of the office of the Sub Divisional [Judicial](#) Magistrate, construction of the Circuit House, deployment of more officials and staff in the government offices in Bhergaon Sub Division immediately. Kamali Rani Basumatary, MLA, [Paneri](#) LAC; former legislator of Kalaigaon LAC Maheswar Boro, also attended the function. The function was anchored by Nazir of DCs office at [Udalguri](#) Munin Sarma, Sub Divisional Officer (Civil) [Arup](#) Kumar Sarma earlier offered a detailed picture on the Civil Sub Division area and the functioning of the Sub Division administration.
