NAMRUP: Monsoon woe is nearing which unleash brimful misery to millions of people in Assam and its neighboring north eastern states. The army jawans posted in Jaysagar are preparing to efficiently [deal](#) with the situation.

Many army jawans participated in a flood relief and rescue demonstration at Disang Mukh on Thursday fetching a ray of respite to the people who have been suffering from the perennial calamity for decades.

The mock drill included portrayal of a situation of comprising of early warning of heavy rains , deploy of flood control team and finally high speed action to rescue the [victims](#) from stranded places using various techniques.

Besides these various improvised aids are also included the [training](#) for resuscitation of drowned case and awareness about preventive measures and precautions to be taken before and after floods to avoid illness and health problems. The exercise culminated with explaining responses to various situation faced by local during the floods to include do's and dont's during the floods.

The event is able to achieve capacity development in response to floods for taking effective and sustainable preventive, preparation and mitigative measures in pre flood stage and prompt response during flood. The mock drill is well appreciated by the locals and the district administrator and are thankful to Army for conducting the event .
