NAMRUP: Flashing a ray of hope for the fourth proposed unit of the BVFCL, Union minister of [state](#) for chemical and fertilizer Rao Inderjit Singh held a crucial meeting with Chairman cum Managing Director Shyam Deo Singh in Guwahati on Tuesday. Convened at the Hotel Taj Vivanta, the minister assured the BVFCL delegates of an early step to set up the plant.

He said that the region's only fertilizer company has been losing concern because of repeated [shut down](#) of the existing II and III units. He observed that the existing plants might not run safely more than 4 -5 years. According to the Union minister, the proposed fourth unit, if installed, would help the PSU double of the present available quantity of 3.9 lakhs of production per annum.

Singh said," the development of [North East](#) is our priority and we will expedite the installation of a new plant of 8.64lakhs MT per annum at Namrup as decided in earlier in May 2015". The conference fetched a huge ray of hope for the BVFCL employees and the local people who have been agitating for the proposed fourth unit for the last couple of months. Recently an AASU delegation called on the minister who assured them of steps to help the initiative see the light of the day.
