Amid massive security arrangement, repolling is underway with brisk note in nine Barak Valley booths on Thursday.

Repolling began from 7 in the morning in 2 booths under Silchar constituency.

Voters in large number started waiting in huge queues to exercise their franchise in Jogai Madhai ME School under Lakhimpur assembly constituency.

Repolling was ordered because of technical glitches in the electronic voting machines on April 12.

Heavy repolling is also going on in Balichand LP School under Borkhola Assembly constituency. The polling will take place till 5 in the evening.

The authorities ordered repolling in the booth acting on the allegations that a group of youths damaged the EVM on the voting day.

GUWAHATI, October 1, 2026 — The Department of Applied Biology, University of Science & Technology Meghalaya (USTM), in association with the Microbiologists Society, India (MBSI) and the Federation of European Microbiological Societies (FEMS), concluded International Microorganisms Day 2026 and a national workshop on “Academic Writing and Scholarly Publications” on Thursday.

The programme, held from September 17, focused on strengthening academic writing, research communication and scholarly publishing skills among Master's students, research scholars and early-career researchers.

USTM Vice Chancellor Prof G D Sharma inaugurated the programme. Prof Kumananda Tayung, Dean, Faculty of Sciences, Gauhati University, and Dr Niraj Singh, State President, MBSI (Assam & Meghalaya), attended as Chief Guest-cum-Resource Person and Guest of Honour respectively.

Experts from India and Saudi Arabia conducted sessions on scientific writing, manuscript preparation, publication ethics, scholarly communication and journal selection. Participants from USTM, The Assam Royal Global University and Cotton University attended the programme.

A Poster and Model Competition was also organised, with prizes distributed to the winners.

The programme was organised under the chairpersonship of Dr Sony Kumari, Head, Department of Applied Biology, with Dr Yugal Kishore Mohanta as Convener and Dr Tamanna Bhuyan as coordinator.
