Dhemaji : The flood situation in Dhemaji district is improving and communication via road and train has also started. Road transport via Gogamukh to Dhemaji has been established after Army built a temporary bridge in Tengakhuwa. The Rangia Murkaksalak rail route to Arunachal is operational again. This meter gauge railway line is the only connection to Arunachal Pradesh and is a major supply source to the State. This route was also badly damaged because of the flash floods caused by Kumotiya (Jiyadhal) on 12th of July 07. NF railway had worked overtime to repair it from the next day itself.
