In a major relief for the tourists, the Pobitora Wildlife Sanctuary opened on Friday. Forest Minister Rockybul Hussain flagged off the first batch of more than 100 tourists, including nine foreigners for the jeep and elephant safari.

Hussain said the state government was committed to providing improved facilities in the sanctuary in Morigaon district three months after it was severely affected by flood waves. Hussain further launched the eco-friendly solar cycle to enable people to move around the sanctuary. Manas National Park will open on November four.
