Tension prevails in Gogamukh in Dhemaji district on Saturday when security forces were trying to collect petrol and diesel from a section of vehicles on the streets. According to allegations, the petrol and diesel thus collected would be sent to Gerukamukh which goes dry following the halt of traffic to the areas bordering Arunachal Pradesh at the height of the anti-mega dam protest. Police have reportedly rough up a few media men as they were covering the incident near the NRL petrol pump.
