For Dhemaji police, the most wanted man of the hour is none but Subudh Biswas in connection with the Silapothar clash that rattled Assam.

In a public notification, the police on Tuesday made an open appeal to the people to inform the whereabouts of the NIBBUS president who in his speech in the huge rally incited violence in Silapothar on Monday.

Policemen probing the clash have confirmed that Biswas, who has close association with RSS and BJP is absconding. The moment the clash erupted, Biswas vanished from the spot and so far he is traceless.

Initially, BJP [leaders](#) claimed that Biswas is not in any way associated with the party. But a few photographs have, beyond [doubt](#), have proved the white lies [as](#) he was seen besides, Nitin [Gadkari](#), Rajnath Singh and even beside Guwahati MP Bijaya Chakrabarty.

The embarrassing revelation bubbles up hours after Himanta Biswa Sarma said that Biswas is a [dark](#) horse and that he himself has no idea.
