Come January 26, 2015. [Majuli](#) is set to wow the world. The biggest river island on this planet could be showcased in the Republic [Day](#) parade in New Delhi.

If the plan is allowed to be carried on, the seat of Vaishnavite culture along with the tribal community feasting and Sattriya dance could dazzle in the country's red letter day celebration in the capital city.

[Dispur](#) is already sent the proposal for [final](#) seal of approval from the committee of the tableau.

A 10-member selection committee comprising the state cultural department, bureaucrats, artists, designers and others met with the parties concerned who submitted their drawing board ideas.

[Majuli](#) is one of the three concepts sent to New Delhi. [Two](#) others are [Bihu](#) and [Kaziranga](#) for just 33 seconds. But rhino and [Bihu](#) have hardly any chance if the criterion are any indication.

[Assam](#) was one of the 13 states, whose tableau was presented at this year's Republic [Day](#) Parade. The tableau on [Bhupen](#) Hazarika was made of fibre glass and was 16-feet high and 40-ft long.
