The Planning Commission has cleared a huge Rs 14.49 crore flood control scheme for Kamrup Rural district. The project will involve the dyke of the river Brahmaputra river from Gumi to Kalatoli. The entire project would be completed by 2013-14 and Plan accounts will be closed by March 31, 2014. The project will have to be executed as per the approved outlays in the State Annual Plans. The Finance Department will restrict the expenditure to the approved cost and no additional expenditure beyond approved cost will be permitted unless the revised estimate is got approved following the prescribed procedure.
