The Assam State Transport Corporation (ASTC) courier service has been performing quite inconsistently, according to the consumers utilizing its service. Bhabananda Kalita, secretary of the Bokakhat Press club, had sent an important news in a compact disc on October 24 through the courier from Bokakhat to Tezpur. But the important matter has not reached Tezpur. The mediapersons have alleged that news of utmost importance have failed to reach their destination due to the poor service of the ASTC courier.
