Army on Thursday claimed to have partially brought the situation under control in Kokrajhar and Chirang districts. There is no report of any fresh orgy of clash during the last 12 hours. Meanwhile, passenger and goods trains services had partially resumed on Wednesday evening and the delayed trains were expected to resume their journey with the 'improvement' in the situation.

Earlier a total of 30 passenger trains and 20 goods trains carrying grains and medicines were stranded along a thin passage that connects Assam from rest of India.
