The timber smuggling business of Barpeta is not a new matter. Rampant timber smuggling is going on. Woods have been illegally transported during the early morning. But the forest department and the police of Barpeta turned deaf ear on this matter. In the wee hours of September 18 an over-loaded truck (No. AS-01-BC-5676) containing illegal timbers, which is about to cross the Dakshin Hati-Rayatpara connecting bridge (R. P. Road), met an accident. The people of that area had seized the truck and handed over to police. This truck was coming from Meghalaya for one timber smuggler Rahman of Mandia.
