ULFA on Sunday came down heavily on Rahul Gandhi alleging that the Congress leader his verbal certificate to the immigrants in Kokrajhar and Dhubri districts suggests a conspiracy to weed out the identity of the indigenous people. In a statement sent to media houses on Sunday, the outfit maintained that the indigenous people have knowledge of large-scale migration from the neighbouring country. According to ULFA, the government has gone ahead with describing the migrants as Indian which was indeed a matter of grave concern for the people.
