The United Liberation Front of Asom (I) has warned of dire consequences if somebody tries to monger trouble with fratricidal killings like the indiscriminate firings and bombings at the [Balajan Market](#) in Kokrajhar on Friday.

In a hard hitting statement, the outfit's publicity secretary Aronodoi Asom said that the deadly attack on the common people belonging to the ethnic tribe in Kokrajhar is detrimental to the cause of the freedom struggle.

He said that they [don't](#) want even a single innocent [indigenous](#) person to be killed and that the fratricidal [carnage](#) would have a negative impact on the entire ethnic tribal life and society.

[ULFA](#)-I's statement assumes significance hours after NDFB(S) denied its involvement in the gory incident where 14 people killed and 20 others sustained injury.

The incident took place when a [group](#) of unidentified [gunmen](#) landed at the Balajan Weekly [Market](#) and unleashed a reign of terror by indiscriminate firing and bombing where 14 people died on the spot. Many others who sustained injury have been battling with death in the hospital.
