

WB fund flows to Dispur

Comments 0

AT News 26 February 2013 11160 views

The World Bank will help Dispur improve public service delivery and governance of government departments. The government and World Bank are set to initially provide technical assistance, which will be later followed by financial assistance.

The government departments that would be covered under the programme are in the areas of business process re-engineering, digitization of records, capacity building, human resource management, strengthening of institutions, and electronic service delivery adoption of innovative administrative practices.
