A wildfire atop a hillock seems to have been posing a serious threat to huge area in the outskirts of Guwahati these days.

Panic starts gripping the local residents in North Guwahati after the outbreak of a wildfire atop the Dolgovinda hill near the historic Ashwaktanta.

Fire fighters have been deployed on the foothills to bring the situation under control. But of no avail. This is what spreading panic among the local residents in the area.

The fire seems to have been spreading into the residential areas a week after fire was spotted on hills.
