A census technique [workshop](#) on Golden Langur was organised by Kokrajhar [Wildlife](#) division in association with Primate Research centre NE [India](#) at Choraikola in Kokrajhar on Tuesday.

Hundreds of forest staff, [NGO](#) volunteer and students participated from various parts of the district in the [workshop](#) and took knowledge and awareness about census technique of Golden langur in the region.

The actual census of golden langur will take place on February 22 for a week and final reports of the census has been expected to published by first week of March.

Raghunath Boro,DFO of Kokrajhar [Wildlife](#) division,attending the [workshop](#) said,

‘We have planned to make census in the Chakrashila wildlife sanctaury in February month which is the best time to make census works. It is a [workshop](#) to create awareness on conserving of the Golden langur,scheduled- I [animal](#) that [found](#) in the region’.

He said that the organising of [workshop](#) and [training](#) on census of Golden langur will extend help to identify the rare [animal](#) Golden langur in the region during the census works.

Boro told, ‘The first census on Golden langur was hold in 2008-09 in the region and identified it’s various troupes that [found](#) in the Chakrashila wildlife sanctuary and it’s adjoining areas. During the last census, 241 troupes of Golden langur [found](#) with 2294 population -in Ripu Reserve Forest under Kachugaon division, 163 troupes [found](#) with 1461 population in Chirang Reserve Forest under Haltugaon division, 66 troupes [found](#) with 501 population in Chakrashila wildlife sanctuary, 9 troupes with 66 population in Nadangiri Hiill Reserve Forest,12 troupes [found](#) with 112 population at Abhaya Rubber garden(Nayekgaon) in Kokrajhar district.In Manas Reserve Forest under Chirang division [found](#) 22 troupes with 263 population, and 23 troupes with 213 population [found](#) in Manas [National Found](#)’.

Dr Jihosuo Biswas, Primate Research centre NE [India](#), Fakrruddin Ahmed, Ranger of Nayekgaon Range were also preesent in the work.
