TANGLA, June 5:

World [Environment](#) Day was [celebrated](#) today with great enthusiasm by various educational institutions, government offices in and around the town on Monday. Keeping in sync with this years' Connecting People to [Nature](#)' , [Tangla](#) College also [celebrated](#) World [Environment](#) Day in College campus by an awareness programme and plantation drive. The awareness meet was presided [over](#) by [Chandan](#) Baruah. Speaking on the occasion

Dr. Prasen Daimari briefed that connection between man and nature has historically been one of imbalance and overuse. In the name of development, scientific advancement the rapid deforestation in developed countries has brought

imbalance in nature which in turn has brought various negative aspects from changing climates, to rising pollution in [metro](#) cities.

In awareness programme, Swapen Acharjee HOD Chemistry observed that rapid urbanization and

changing global climate and temperature has brought great concern to nature lovers and environmentalists globally.

"We need to appreciate and preserve the beauty of nature. [Wildlife](#) crimes and hunting of animals should be curbed which adversely impacts nature." Acharjee added. Earlier the purpose of the meet was conveyed by Anima Bhuyan Baruah Secretary of [Udalguri](#) and Darrang Zone Women Cell Convenor.

The programme which was organised by [Tangla](#) College women cell convenor was also attended by the lecturers of the college including Dr. [Anjali](#) Chakravorty Vice-[Principal](#) ,Meghali M.Narjari Convenor Women cell of the college among others.

Later, each one present on the occasion planted a tree around the college campus, [as](#) a part of plantation drive. It is pertinent to mention that a massive plantation drive has been undertaken to plant 520 saplings of medicinal and economical value to be planted in the sprawling college campus of 101 bighas.Last year 220 saplings were planted in the college stadium informed college sources.
