RULES AND ORDERS IN FORCE IN CERTAIN DISTRICTS

CHAPTER 1

***Section 1-* The Garo Hills Regulation, 1882 (Regulation No. 1 of 1882)**

Preamble.

Whereas Regulation I of 1876 (The Garo Hills Regulation, 1876), the operation of which was extended for one year by the Chief Commissioner's notification issued with the previous sanction of the Governor General in Council on the 15th March, 1881, ceased to be in force on the 31st day of March 1882;

And whereas it is desirable to re-enact certain provisions of the said Regulation, it is hereby enacted as follows :

1. Short title.

This Regulation may be called "The Garo Hills Regulation, 1882".

Local extent and commencement.

It extends only to the Garo Hills district, and comes in to operation on being published in the Assam Gazette.

2. Power to the Chief Commissioner.

The Chief Commissioner may, from time to time, subject to the control of the President, by notification in the Assam Gazette-

(a) *to prohibit certain acts.*

Prohibit all or any person, not being natives of the Garo Hills district, from doing any of the following acts within the limits of the said district without a licence, that is to say, -

cutting wood,

hunting animals,

collecting wax, ivory, India-rubber, or other jungle products, and

(b) *to regulate the granting of licenses to do such acts.*

Prescribe the conditions and restriction subject to which, and the amount of fees on payment of which,

and the persons by whom, licences to do any of the said acts may be granted.

3. Penalties for offences against S. 2.

Any person who does any act in contravention of a notification issued under S. 2 of this Regulation, and any holder of a licence under the said section who does any act in contravention of a restriction or condition imposed by such licence,

shall be punished for a first offence with a fine not exceeding one hundred rupees, and for each subsequent offence with imprisonment of either description for a term which may extend to three months, or with a fine not exceeding five hundred rupees, or with both;

and the Magistrate by whom he is convicted may further order that all animals or carcasses of animals, and all wood, wax, ivory, India-rubber, or other jungle products found in his possession, and all animals ropes, nets, guns, ammunition, and other things used by him in the commission of such offence, shall be confiscated.

4. Acquisition of interests in land prohibited.

It shall not be lawful for any British subject, or other person not being a native of the Garo Hills district, to acquire any interest in land or the product of the Chief Commissioner or

of such officer as the Chief Commissioner may appoint in this behalf.

Any interest so acquired may be dealt with as the Chief Commissioner or the said officer may direct.

The Chief Commissioner may, from time to time, by notification in the Assam Gazette, extend the prohibition contained in this section to any class of persons, natives of the said district, and may, from time to time in like manner, cancel or vary such extension.

5. Realisation of fines and imprisonment in default of payment.

The provisions of Ss. 64 to 70, both inclusive of the Indian Penal Code shall apply to all fines imposed under the authority of this Regulation.

6. Jurisdiction.

The jurisdiction in respect of offences against this Regulation shall be exercised by such officers, and subject to such conditions as the Chief Commissioner may, from time to time by notification in the Assam Gazette, direct.

No royalty shall be levied on skins (other than python and lizard skins), horns and monkeys or other small

animals brought down to notified revenue stations for sale.

Royalty at the rate of 5¼ per cent *ad valorem* shall be realized on all python and lizard skins exported exceeding six feet and one foot six inches respectively in length. No python and lizard skins of smaller dimensions shall be exported.

6. There shall be two classes of permits, viz., -

(i) Trade permits.

(ii) Gurkati permits.

(i) (a) Trade permits will be issued by the Deputy Commissioner, Divisional Forest Officer or any other officer empowered in this behalf in the form prescribed in Appendix A to these rules, for felling, cutting, conversion and removal of all reserved timber and for unreserved timber over 1 foot 6 inches girth measured at 4 feet from the ground and for all other forest produce when not actually carried on the person under a Gurkati permit if cut, collected or removed for purposes to trade.

(b) Trade permits are not transferable except with the written order of the Deputy Commissioner or

the Divisional Forest Officer. They may be issued for any period not exceeding twelve months from the date of issue. Such period may be extended for a further maximum period of twelve months at the discretion of the Divisional Forest Officer on payment by the permit holder of a fee not exceeding 25 per cent of the royalty payable on the forest produce removed under the permit.

The Divisional Forest Officer may however remit the fee altogether in cases in which he considers this justified.

- (c) Royalty shall be payable on the forest produce removed under a trade permit at the rates prescribed in the schedule published separately.

Increase and decrease of any of the rates is vested in the senior Conservator of Forest to a limit of 25 per cent of decrease and 25 per cent increase according to distance and difficulties of extraction.

- (ii) (a) Gurkati permits will be issued by the Deputy Commissioner, Divisional Forest Officer or any other office or person duly empowered in this behalf in the form prescribed in Appendix B to these rules for the collection and removal by land of firewood, thatching grass, bamboos and canes, reed, leaves and poles of unreserved

species up to 1 foot 6 inches in girth in such quantities as can be carried by a permit holder on his person.

- (b) Gurkati permits are not transferable except with the written order of the Deputy Commissioner or the Divisional Forest Officer, and they must be in the possession of their holders when cutting or removing any forest produce and must be produced on demand for inspection by any Forest, Police or Revenue Officer. They will be issued for the year ending on the 30th June.

- (c) A Gurkati permit will be issued to one person only at the following rates :

	Rs.

For other persons	-- 5

- 7.** No lease for any fixed period giving the right of collecting or removing rubber, cane, *kathe* or kutch, lac, agar or other forest produce from the unclassed State forests shall be given without the previous sanction of the Conservator of Forests.

- 8.** All fees and royalties payable on account of any forest produce collected or removed under these rules shall be paid previous to the issue of the trade or Gurkati permit; but it is left to the discretion of the Conservator of Forests to decide whether such payment shall be recovered in full or in part when a trade permit is issue. In no case will forest produce be permitted to be removed from a forest or in the case of produce taken to an authorised sale depart, from the sale depot, until payment has been recovered from the permit holder.
- 9.** All timber and other forest produce in respect of which there is reason to believe that any money is payable to Government under these rules, when in transit in any part of the district, may be stopped and examined by any forest or police officer and all persons in charge of such timber or other forest produce shall be bound to produce any permit or certificate or pass which may have been granted to them for its removal when called upon to do so by such forest or police officer.
- 10.** Any person infringing any of the above rules shall be liable to be punished with imprisonment for a term, which may extend to six months, or with fine, which may extend to five hundred rupees, or with both.

Section 3 - Executive Orders relating to the Garo Hills

1. Rewards to finders of elephant tusks.

The Deputy Commissioner, of Garo Hills, has full discretion in the matter of granting rewards to the finders of elephant's tusks.

2. Gurkati.

Commission at a rate not exceeding 10 per cent on collections on account of gurkan is payable to the tuskars and sirdars of the Garo Hills and to forest subordinate below the rank of forest rangers and other servants of the State and other persons approved jointly by the Deputy Commissioner and the Divisional Forest Officer when they are entrusted with the work of selling such passes.

3. The following rules are prescribed for the sale of gurkan permits in the Garo Hills division:

- (i) Range and Beat Officers will report on the condition of each new permit seller proposed giving full details about his holding, cattle, connections, occupation, etc., in order that the Divisional Forest Officer may judge of his suitability for the work.

- (ii) Permit sellers except tuskars must bring or send their books monthly to the range or beat office during the week the officer in charge is preparing his cash accounts and must at the same time remit all money due to Government and the following penalties may be imposed for failure to do so -
 - (a) Reduction of commission from 10 per cent to 5 per cent in the case of failure to produce the books and pay the revenue in full during the first month;
 - (b) Confiscation of commission due for failure to produce the books and pay the revenue in full for two months running;
 - (c) Confiscation of the books for such failure for three months;
- (iii) Permit sellers who are Laskars must bring or send their books to the range or beat office and deposit their collections every quarter, failing which they shall forfeit the commission due to them for the quarter;
- (iv) Range and Beat Officers shall report all such failures and will be responsible for the revenue due if they do not so report;

(v) Range and Beat Officers will submit monthly along with their accounts a statement of permits sold, amounts realised and amount due, against each permit seller.

4. The Garos and other aboriginal tribes residing in the hills are allowed to take free of charge from forest reserves bamboos, firewood thatching grass and unreserved trees that may be required by them for their own use within the district but not for sale, trade mortgage or gift.

CHAPTER 2

THE KHASI AND JAINTIA HILLS

Section 1 - Rules relating to the use of forest produce on land at the disposal of the State in the Jaintia Hills and the British villages of the Khasi Hills and not included in reserved or village forest

[(a) Under Ss. 33, 34 (2) (a), (c), (e), (g), and (h), 34 (3), 35 (2) and 40 (f)]

1. Definition.

In these rules the expression “unclassified State forests” means any land at the disposal of the State in the Jaintia Hills and the British villages in the Khasi Hills and not included in a reserved or village forest.

The areas listed in Appendix A and such other areas in the unclassified State forests as may be declared by the Provincial

Government from time to time shall be exempted from the operations of these rules.

2. No reserved or unreserved trees shall be felled, cut, girdled, marked, lopped, tapped or injured by fire or otherwise, no timber sawn, converted, or removed and no other forest produce collected and removed, except under and subject to the conditions of a trade permit as prescribed in these rules, and granted by the Deputy Commissioner or any other officer authorised by him in this behalf or under a written order of the Provincial Government :

Provided that –

- (a) the cutting of *jhums* by Syntengs and Khasis may be practiced subject to the control of the Deputy Commissioner;
- (b) natives of the Khasi and Jaintia Hills district shall be allowed to remove and utilise free of royalty such timber and other forest produce, except orchids as they require within the district but shall not be permitted to export timber or other forest produce beyond the district except under a trade permit;
- (c) [*Deleted*].
- (d) servants of the State other than natives of the district of Khasi and Jaintia Hills, serving in the district

outside Shillong, are exempted from payment to royalty on firewood obtained by them from the neighboring unclassified State forests for their own consumption.

3. Trade permits will be issued in the form prescribed in Appendix B to these rules for the removal of all reserved trees and of unreserved trees over 1 foot 6 inches in girth measured at 4 feet from the ground and all other forest produce. Trade permits are not transferable.
4. Trade permits will be issued ordinarily for any period not exceeding twelve months, but the period of any such permit may be extended up to a further maximum of twelve months at the discretion of the Deputy Commissioner and on payment of a fee which shall not exceed 25 per cent of the amount of royalty payable under the permit. The Deputy Commissioner may however remit the fee altogether in cases in which he considers this justified.

The power given above to the Deputy Commissioner with regard to granting of extension of time on time-expired permits may be exercised by the Sub-divisional Officer, Jowai, subject to the conditions that the sanction given by the Sub-divisional Officer is confined to cases in which the royalty payable at the time when extension is asked for does not exceed Rs. 100 and that his power of granting extension is limited to the period of four months.

5. Royalties shall be charged on forest produce removed from the unclassified State forest under a trade permit at the rates prescribed in the schedule published separately.

Increase and decrease of any of the rates in vested in the Senior Conservator of Forests up to limit of 25 per cent. of decrease and 25 per cent increase according to distance and difficulties of extraction .

6. The royalty due shall be paid at the time of marking the produce previous to its removal or, where this is permitted, at first revenue station reached by the forest produce.
7. No timber or other forest produce removed under a trade permit shall be landed, converted, utilised or exported unless covered by pass to be issued on receipt of royalty in the form prescribed in Appendix D to this rule.
8. All timber or other forest produce when in transit may be stopped and examined by any Forest Officer, Sirdars, Doloi, or Police Officer, and all persons in charge of such timber or other forest produce shall be bound to produce any permit or pass which may have been granted to them for its removal when called upon to do so by such Forest Officer, Sirdar, Dolloi or Police Officer.
9. In the unclassified State forests leases for any fixed period giving the right of collecting or removing rubber, cane, *kuth* or cutch, lac, *agar*, or other forest produce may be given by

the Deputy Commissioner who should consult the Conservator of Forests as to the terms of the lease.

10. Grazing of cattle in unclassified State forest by natives of the Khasi and Jaintia Hills district is permitted free. Professional graziers may be permitted to graze their cattle in areas selected by the Deputy Commissioner under the conditions and on payment of the rates prescribed by him.
11. Any person infringing any of the above rules shall be liable to punished with imprisonment for a term which may extend to six months or with fine which may extend to Rs. 500 or with both.

[(b) Under Sections 40 and 41]

12. Limestone from the Khasi and Jaintia Hills district exported in to the district of Sylhet must be covered by a printed pass in the from of –
 - (a) a certificate of origin, Appendix A, issued by the Khasi owners in respect of limestone from their quarries and by the headman of Sohbar and Mostoh villages in respect of limestone from Sohbar and Mostoh quarries or;
 - (b) a challan, Appendix B, in respect of limestone from British-owned quarries;

(c) a certificate of registration, Appendix C.

13. All limestone exported from the Khasi and Jaintia Hills district shall be taken by the most direct route to the nearest revenue station notified under the Assam Forest Regulation within the Sylhet Division for payment of royalty and such limestone shall not be removed from the revenue until royalties at the following rates are paid :

- (i) from British-owned quarries – Rs. 20 per 1,000 maunds;
- (ii) from Khasi-owned quarries – Rs. 10 per 1,000 maunds.

Limestone from Mostoh quarry covered by a certificate of origin signed by the headman of the Mostoh village is exempted from payment of any royalty; Provided that in the case of limestone belonging to exporters who have established depot below a revenue station and who supply the duplicates of challans covering their limestone to the revenue station and who supply the duplicates of challans covering their limestone to the revenue station officer concerned the royalty may, at the discretion of the Divisional Forest Officer, be realised by the revenue station officer on bills submitted for the total quantity of limestone carried past the revenue station during a month.

- 14.** All limestone landed at depots established by the exporters and reloaded for transport to markets, shall be covered by a challan, Appendix B which challan shall be endorsed by the officer-in-charge of the nearest revenue station and a copy thereof supplied to him.
- 15.** Every boat or other conveyance carrying limestone shall be measured marked, and registered by a Forest Officer authorised in that behalf, who shall grant a certificate of registration in the form prescribed in Appendix C to the person-in-charge thereof stating the carrying capacity of the boat or conveyance.

A fee of annas four per 100 maunds or part thereof shall be charged with effect from 1st November, 1942 for all boats registered by the Forest Officers and the certificate of registration shall be valid for period not exceeding one year ending on the 31st October.

- 16.** The standard weight for limestone for the purpose of measuring boat and realisation of royalty shall be a maund of 112 lb.
- 17.** The carrying capacity of a boat be ascertained by landing the boat fully and shall be recorded in the register of certificates. The certificate shall be filled up in duplicate, one copy shall remain as a counterfoil in the book and duplicate copy shall be given to the owner of the boat or conveyance. The registered number of the boat shall be painted or branded

thereon. The measurement of a boat may be checked by any Forest Officer at any time to see that it corresponds with the register number.

- 18.** The person in charge of the boat may be called upon to produce any of the above certificates or challan by any Forest Officer. Any person not producing such documents when called upon or infringing any of the above rules may be punished with a fine not exceeding Rs. 500.

Section 2 - Executive orders relating to the Khasi and Jaintia Hills

1. Relationship between the Deputy Commissioner in charge of forest and the Conservator.

The Deputy Commissioner, Khasi and Jaintia Hills, is subject to the control of the Commissioner of Divisions directly responsible to the Provincial Government for the working of the forest within his district. The position occupied by the Conservator in regard to above-named forests is that of an adviser to the Provincial Government and to the Deputy Commissioner. The Deputy Commissioner should consult the Conservator on all technical forest matters and is expected to follow the advice of the latter officer in such matters as far as is possible. Should he reject the advice of the Conservator he must justify such rejection on political or other grounds. In the event of the Conservator disagreeing with any action taken by the Deputy Commissioner in regard to forest matters he is empowered to refer the question through the Commissioner of Division for the decision of the Governor.

Note.

The above rule does not affect the Conservator's power under Chapter I, Part II of the Manual to prescribe

conditions and fix royalties and fees for felling timber and other action within reserved forest.

2. Conservator's inspection, etc.

The Conservator and/a responsible Imperial Forest Officer deputed by him are authorised to inspect the forest whenever possible, forwarding a note embodying the result of his inspection to him for transmission to the Governor and for communication to the Deputy Commissioner. The Conservator is also authorised to inspect the work of Gazetted Officers attached to the Khasi Hills Forest Division for the purpose of carrying out marking under the working plans and to instruct them in their work. He is also at liberty to test the competency of the subordinate forest officers in such a manner as he may deem to be necessary or to depute and Imperial Forest Officer to do so. The Deputy Commissioner should not, except in cases of emergency, employ any of his forest subordinate on markings for felling or thinnings or on cultural work without first consulting the Conservator of Forests and receiving the latter's assurance that the subordinate is competent to be entrusted with such work.

3. At the request of the Deputy Commissioner, Khasi and Jaintia Hills, his forest officer may be occasionally inspected by the Conservator of Forests.

4. Mahals in the Khasi Hills.

Elephants in the Khasi Hills are treated in the same way as the produce of quarries and wastelands i.e., the State is entitled to half the proceeds, and reserves to it self the rights to close the mahals when considerations of conservancy render such a course advisable. If a Siem wishes to hunt in any mahal on his own account he should, as a rule, take out a licence in the usual manner.

- 5.** The pound-keeper of Shillong may be given a commission at the rate of 5 per cent on the amount of compound fees collected by him on behalf of the forest department in respect of the cattle impounded for illicit grazing in Government forests.

Rules for the removal of Orchids from the Jaintia Hills and such portion of the Khasi Hills as constitute British territory and for their sale at Shillong

- 6.** (1) The term “Collector” is intended to refer to agents of florists’ firms for Europe and elsewhere who regularly trade in orchids.

(2) *Removal of orchids.*

A licence to a “Collector” for the removal of orchids from the Jaintia Hills and such portions of Khasi Hills

as constitute British territory will not be granted except with the special permission of the Provincial Government.

- (2) Sale of orchid plants from either British or Siem's territories is prohibited in the station of Shillong except under a licence from the Deputy Commissioner Khasi and Jaintia Hills, which will be granted on payment of the fees noted below :

- (iv) peat, surface soil, rock, and minerals (including limestone, laterite mineral oils and all products of mines or quarries).

1. The administration of forests in the Lushai Hills is invested in the Superintendent, Lushai Hills subject to the general supervision of the Conservator of Forests, Assam, who may report to the Provincial Government on any question affecting the management of the forests.

2. Lushai Hills.

The list of reserved trees described above applies to the Lushai Hills.

3. The cutting, sawing, conversion, and removal of trees and timber and the collection, manufacture and removal of forest

produce for purposes of export from the Lushai Hills are prohibited, except under a trade permit granted by the Superintendent, Lushai Hills, or any other Officer empowered in his behalf, or under a written order of the State Government. In the case of export to Bengal instead of a trade permit an 'entry pass' will be issued free of charge by an authorised officer of the Bengal Forest Department.

4. Trade permits shall be granted for timber reserved or unreserved, or other forest produce cut, collected, or removed for purpose of trade.

The Divisional Forest Officers of Cachar and Sylhet and anyone authorised by them shall be empowered to issue trade permits for the removal of forest produce from the Lushai Hills to the Cachar and Sylhet districts, respectively, to persons approved of by them and the superintendent, Lushai Hills.

5. The royalties to be charged on all forest produce, removed from the Lushai Hills forests to the Sylhet and Cachar district under a trade permit are published separately. Increase and decrease of any of the rates is vested in the Senior Conservator of Forests to limit of 25 per cent of decrease and difficulties of extraction.
6. Royalties at the rates prescribed separately shall be charged for forest produce removed from the Lushai Hills forest into Bengal. Increase and decrease of any of the rates is vested in

the Senior Conservator of Forests to a limit of 25 per cent of decrease and 25 per cent increase according to distance and difficulties of extraction.

- 7.** No reserved trees under 6 feet in girth except Nageswar (Messuaferrea) the girth limit of which is 5 feet, shall be felled.
- 8.** All fees and royalties payable on account of any forest produce collected or removed under these rules shall be paid at the time of marking previous to removal, or at the first forest revenue station reached by the forest produce.
- 9.** No forest produce shall be removed in transit pass any revenue station, unless provided with a pass in the form given in Appendix C. Such pass may be obtained from the Officer-in-charge of the first revenue station reached by such forest produce.
- 10.** The closing or obstruction of any river used for the transit of timber or forest produce, or the stoppage of navigation on the same is prohibited. The Superintendent, Lushai Hills, may order any person who has by his act or negligence cause such closure, obstruction or stoppage to remove the same within a time specified or may cause such obstruction to be cleared, and recover the cost of such clearance from the person by whose act or negligence it was caused.

- 11.** All persons trading in or conveying timber shall annually registrar their property marks at the revenue station, and shall pay a fee of Re. 1 for a certificate or registration for the first time, and eight annas for each registration thereafter.
- 12.** India-rubber-yielding trees growing in the Lushai Hills may be tapped only during the months of December, January, February and March. The roots of the trees and the lowest part of the stem within three feet from the surface of the ground may not be tapped, and no India-rubber trees may be felled, burnt or lopped. The incisions must not be less than two feet apart, and must not exceed one foot in length and four inches in breadth.
- 13.** No person shall extract, collect, or remove India-rubber, being the produce of trees growing in the Lushai Hills, save under, and subject to the Government or by the Superintendent, Lushai Hills, or any other officer empowered in this behalf. Such licence shall be in the form contained in Appendix (omitted) to these rules, and the amount of the fee for the same, which may from time to time prescribed by the State Government, shall be printed on each licence.
- 14.** No person shall purchase any India-rubber, being the produce of trees on any such land, save under, and subject to the conditions of an India-rubber-purchasing licence granted by, the State Government or by the Superintendent, Lushai Hills, or any other officer empowered in this behalf. Such licence shall be in the form contained in Appendix

(omitted) to these rules, and the amount of the fee for the same, which may, from time to time, be prescribed by the State Government, shall be printed on each licence.

- 15.** No person shall remove wax or rhinoceros' horns for purposes of trade from forests in the Lushai Hills save under, and subject to, the conditions of purchasing licences granted by the Superintendent, Lushai Hills or any other officer empowered in this behalf. Such licences shall be in the form contained in Appendix D to these rules, and the amount of the fee for the same, which may from time to time be prescribed by the Local Government, shall be printed on each licence.
- 16.** All breaches of the above rules shall be punishable under S. 188 of the Indian Penal Code.
- 17.** The Aijal Reserve, whose boundaries are on record in the office of the Superintendent Lushai Hills, is constituted by executive orders to preserve the amenities and conserve the water-supply of Aijal and its neighbourhood. Subject to these ends being kept in view, the control of timber and other forest produce rests entirely with the Superintendent, Lushai Hills, subject to the general control in questions of policy, of the Conservator of Forests.
- 18.** In areas outside the Aijal Reserve all residents of the Lushai Hills District who pay house-tax or land revenue may, without any permit, remove and utilise free of royalty such

timber and other forest produce as they may require for their own use within the district; but not for sale trade, mortgage or gift or for use outside the district; provided that the quantity extracted at a time shall be limited except with the permission of the Superintendent in charge of forests to what each resident can himself carry. Timber and other forest produce extracted in excess of this quantity will be liable to payment of royalty at the discretion of the Superintendent in charge of forests.

- 19.** The servants of the State are exempted from payment of royalty on firewood obtained by them from the neighbouring unclassed State forests for their own consumption.
- 20.** In the Lushai Hills the jurisdiction of jurisdiction of Deputy Rangers and Foresters not in charge of ranges and forest guards is limited to a radius of five miles from their headquarters.

CHAPTER 4

THE NAGA HILLS JHUM LAND REGULATION, 1846

(Regulation III of 1846)

Preamble.

Whereas it is expedient to frame a Regulation in order to safeguard and regulate the rights of Nagas to *jhum* land in Naga Hills district ;

Now, therefore, the Governor of Assam, in exercise of the powers conferred by sub-S. (2) of S. 9 of the Government of India Act, 1935, is pleased to make the following Regulation :

1. Title and application.

- (1) This Regulation shall be called the Naga Hills *Jhum* Land Regulation, 1846.
- (2) It extends to the whole of the Naga Hills District.
- (3) It shall come into force at once.

- (3) Its provisions shall apply in supersession of all existing enactments and rules so far as the latter are inconsistent with, contrary to or repugnant to the provisions of this Regulation.

2. Definitions.

In this Regulation –

- (a) “Land Conservator” means and includes the Deputy Commissioner of the Naga Hills, any officer exercising the powers of a District Magistrate within the Naga Hills, any Sub-divisional Officer within the limits of his sub-division or any officer especially invested by the Governor of Assam with the powers of a Land Conservator under this Regulation.
- (b) “*Jhum* land” means and includes all and which any member or members of a village or a community have a customary right to cultivate by means of shifting cultivation or to utilise by clearing jungle or grazing live stock; provided that such village or community is in a permanent location; but does not include -
- (i) any land which has been or may be terraced for the purpose of permanent or semi-permanent cultivation whether by means of irrigation or not, or

- (ii) any land attached or appurtenant to a dwelling-house and used for the purpose of permanent cultivation, or
- (iii) any land, which, in the opinion of the Deputy Commissioner, is subject to permanent cultivation.

Explanation.

- (1) Any land which is otherwise *jhum* land according to above definition shall be deemed to be so notwithstanding the fact that part or whole thereof may have been planted with fruit trees, bamboos or tung or reserved for growing firewood;
- (2) A Village or community shall be held to be in a permanent location if it always remains within a specified area, although part or the whole of such village or community may migrate from time to time to different localities within that area;
- (c) “Community” includes the residents of a village as a whole, the Clan, sub-Clan, phratry or kindred.

3. Distribution of work, among Land Conservator.

Where more than one Land Conservators exercise authority within the same area, the Deputy Commissioner may, subject to any order issued by the Governor of Assam, make such arrangements as he thinks fit for the distribution of work among such Land Conservators.

4. Accrual of customary rights.

(1) A customary right to *jhum* land shall be deemed to be established in favour of a village, or community when such village or community has enjoyed the right to cultivate or utilise such *jhum* land for not less than 30 years.

(2) A customary right to *jhum* land shall be deemed to be established in favour of an individual cultivator :

(a) if he has inherited the land in accordance with a local custom; or

(b) if he has purchased the land prior to the making of this Regulation and such purchase was not contrary to local custom; or

(c) if he has purchased the land at any date subsequent to the making of this Regulation; provide such purchase was not contrary to any

local custom or any of the provisions of this Regulation;

- (d) if, being a resident of a permanent village, he has brought the land under cultivation, and the land has not been cultivated at any time within 30 years preceding his bringing the same in to cultivation :

Provided that such land is within cultivable reach of his own village.

5. Transfers.

- (1) *Jhum* land to which a community has a customary right may not be transferred to another community or to any individual except with the permission of the Land Conservator.
- (2) *Jhum* land to which an individual belonging to a village or community has a customary right may be transferred to another member of the same village or community or to that village or community as a whole. It shall not be transferred to another village or community or to a member of another village or community except with the previous permission of the Land Conservator.

- (3) Nothing in this section shall affect a transfer, which is valid under any other provision of this Regulation.

6. Leases.

- (1) No “*jhum*” land shall be leased by anyone having a customary right thereto unless -

(a) The land Conservator has approved of such lease on the ground that such lease benefits the village or the community, or

(b) The lessor is by reason of age or other infirmity, unable to cultivate or utilise it, and the lessee is a member of the same village or community as the lessor.

- (2) A lease under Cl. (b) above shall be determined on the death of the lessor or on the termination of his infirmity; provided that the lessee shall be entitled to end and reap any crop standing on the leased land on the date of termination of the lease.

7. Improper transfer and leases.

“*Jhum*” land which is transferred or leased otherwise than in accordance with the provision of this Regulation shall be deemed to have been forfeited and, subject to any customary right of inheritance, may transferred by the Land

Conservator to any member or members of the village or community to which the transferor or lessor belong or belonged.

8. Terraced cultivation.

Any member of the village or community to which the person or persons having a customary right to any 'jhum' land belong may establish terraced cultivation within such jhum land with the permission of such person or persons or with the permission of the land conservator who may in granting such permission attach such conditions as he thinks fit.

9. Forest produce.

Subject to any orders that may be made under this regulation, persons having customary right to any 'jhum' land shall be entitled to forest produce from such land for their own use or the use of members of their own village or community, but shall not, without the permission of the land conservator, be entitled to sell or transfer otherwise such produce to any other person.

10. Taxation.

(1) All customary rights in 'jhum' land as are now in existence shall subsist subject to the provisions of this regulation and any other law or regulation which may hereafter be enacted by competent-authority.

- (2) Such rights shall also be subject to the payment by the person entitled thereto of such rents, taxes or any other dues as may be lawfully imposed from time to time by competent authority.
- (3) Where any such rents, taxes or other dues have not been paid by any person, the Deputy Commissioner, Additional Deputy Commissioner or Sub-divisional Officer may suspend the rights of that person to all 'jhum' land and, if the default has subsisted for more than a year, may declare such right of that person to have been extinguished and may thereupon make such arrangements for the transfer of the right as he thinks fit.

11. Acquisition for public purpose.

The Government may acquire any jhum land required for required for a public purpose and no formal acquisition proceedings shall be necessary but an opportunity shall be given to those having rights in the land to show cause against such acquisition and reasonable compensation shall be paid for all land acquired under this section.

Land so acquired shall, if relinquished by the Government at any time, be returned to the village community or individual from whom it was acquired on refund, if any, of such compensation to the Government as the latter may decide.

12. Ejectment.

The land conservator may at any time summarily eject without notice any person who has squatted without authority on any jhum land.

13. Prevention of erosion.

- (1) The land conservator may at any time make such general or special order for the reafforestation of jhum land as he thinks fit, as also for ensuring that strips of reasonable width within any jhum land may not be cultivated.
- (2) Where it appears that undue erosion or diminution of the supply of water required or likely to be required for irrigation is resulting or is likely to result from the excessive cutting of trees from any jhum land the land conservator may direct that a part or the whole of such jhum land shall be a protected forest, and no person shall thereafter cut any trees from such protected forest without the permission of the land conservator.
- (3) Where it appears that undue erosion or diminution of the supply of water required or likely to be required for irrigation is resulting or is likely to result from cultivation of any jhum land, the land conservator may direct that the jhum land shall not be cultivated by any person for a period not exceeding ten years.

- (4) No order shall be made under sub-S. (2) or sub-S (3), unless a reasonable opportunity has been given to those having customary rights to the land to prefer objections against such order and unless all objections so preferred have been considered and rejected as unreasonable or tenable.
- (5) For the purpose of protecting a road or bridle path, the land conservator may direct that any land lying within 50 yards of the road or birdle path shall not be cultivated and may further direct that trees upon such land shall not be felled or cut.
- (6) The land conservator may direct that for the purpose of preserving water supply, any particular are under jungle and previously un-jhumed shall remain uncultivated; provided that the existing rights of the community or the individual to collect forest produce shall not be interfered with.

14. Prevention of fire.

The land conservator may make such general or special orders as he thinks fit to prevent risk or damage by fire to jhum land.

15. Erection of houses.

The land conservator may by order prohibit the establishment of any new village or erection of any new residential houses on any jhum land :

Provided that no order shall be made under this section which would prevent persons having customary rights to the land from securing reasonable adequate accommodation for themselves and their families.

16. Powers of Tribal Council.

Where a tribal council approved by the Governor in this behalf has been set up in any area, any or all of the powers granted to the land conservator under the provisions of this regulation may be vested at the discretion of the Governor in that tribal council in respect of such area and the land conservator shall not exercise any powers so vested.

17. Penalty for disobedience or violation of order or direction.

Any person who intentionally disobeys or violates any order or direction passed by competent authority under any of the provisions of this regulation, shall, on conviction for such offence, be punished with imprisonment of either description for one month, or with a fine not exceeding five hundred rupees, or with both.

18. Appeal and revision.

- (a) Any person convicted for any offence under the last preceding section and sentenced to suffer any imprisonment or to pay a fine exceeding fifty rupees may appeal to the Governor whose decision shall be final.
- (b) The Governor may call of and examine the record of any proceeding or trial under the provisions of this regulation and may set aside, modify or alter any order of sentence passed by any subordinate authority.

1. The holder of this permit is entitled to graze the number of buffaloes, cattle and elephants entered in columns 3 and 4 of the permit in the locality entered in column 1.
2. He shall not move his bathan or khuti to a new site or his elephants from one grazing area to another without the permission of the Deputy Commissioner or Sub-divisional Officer. The penalty for the infringement of this rule is fine which may extend to one hundred rupees.

3. (i) A person wishing to graze buffaloes, cattle or elephants in, unclassified State forests shall apply for a permit before the 1st of July each year to officer-in-charge of grazing, the Grazing Superintendent, or any other officer specially authorised by the Deputy Commissioner to receive such application, and shall declare the number of his buffaloes, cattle and elephants and the place or place where he desires to graze them. He shall pay to the officer issuing the permit two-third of the grazing fees at the time of issue. The balance of the fee shall be paid to the mauzadars or mohsirdar or other authorised officer not later than the 1st of December following. All permits expire on the 30th June.
 - (ii) In the 'notified areas' persons grazing cattle under this permit shall castrate three male oxen, other than those passed as suitable and necessary for breeding by an officer of the Agriculture Department not below the rank of Inspector, before they reach the age of two years. Persons disregarding this rule are liable to have their uncastrated males, other than breeding bulls, assessed at three times the ordinary rate. Bulls passed as suitable and necessary for breeding shall graze free. (Does not apply to buffaloes).
4. Any person who fails to apply in time for permits for the full number of buffaloes, cattle or elephants in his charge which are liable to pay grazing fees, may be required to pay double

the amount of fee due on any unreported animals omitted from his application.

5. If after the issue of a permit and before the 30th June following, a permit-holder becomes possessed of more buffaloes, cattle or elephants liable to grazing fees than are included in the permit, he shall apply to the officer in charge of grazing, the Grazing Superintendent or other authorised officer, within fifteen days for an additional permit. If the date on which he becomes possessed of such animals is before the 1st January, he shall be required to pay the fees for a full year at the time of issue of the permit; if after the 1st January, he shall pay half the annual fees.
6. No fees shall be charged on buffaloes or cattle which are under two years old on the 1st July of the year for which a permit is issued; except that in the 'notified areas' male oxen not select for breeding which attain the age of two years during the year, shall, if unsaturated, be liable to assessment at any time throughout the year.
7. Katcha receipts should on no account be given by Mohsirdars. Such receipt will not be accepted as an acquittance of the liability of the graziers.
